The Premises:

Usual high Scorpio standards. Usual scowling presence of Ian the boss.

The Lady:

Kim-Lee smiles readily, is tall, slim and very fetching. Warning: her command of English is limited.

The Story:

Kim-Lee's approach is somewhat mechanical - which is a pity, given that she has the form, figure and performance of a potential superstar.

She made me welcome in the cabin, and immediately peeled off to reveal rather gorgeous firm breasts and a well-proportioned figure. But she proved rather rough on the old cock, though getting me upstanding well enough.

Various fun and games during which she came. She kisses a little. We mished, proded each other this way and that, and then mutually climaxed in doggy.

Some of Kim'Lee's colleagues really ought to take her gently in hand, and explain to her how to enjoy herself a little. It would help customer relations no end.

While I won't myself be selecting Kim-Lee again, I'm happy enough to recommend her for the enjoyment she is.
