The Story:

I had been trying to meet Haylie for a while now so was delighted that she was working. 7 ladies to choose from but only had the one in mind. In the room the usual massage was performed although I do like it to be more sensual(could take a few tips from Natasha on that). Turned over & straight into OWO which was very good. Off with her clothes more OWO & then asked if I could return the favour. Reverse O & she genuinely came which was nice to see. Then some nice kissing whilst playing with me, more OWO asked if I wanted to cim which I was delighted with only I let myself down on that side. More kissing & handjob to finish. Still had time left so Haylie asked if I would like another massage to which I agreed thought this was a nice touch & something which hasn't happened to me before. Overall a great punt from a lovely lady. Thank you I will be back.
