The Premises:

Flat above shops on the High Road, accessed by a steel staircase in an alleyway behind the shops. Felt safe enough in daylight but I wouldn't go here late at night. It was also a very wet day and the alleyway was full of big puddles! Inside the flat is clean, and nicely decorated.

The Lady:

Christine is a slim, very pretty and petite blonde, in her mid 20's. She has a well toned body and large, enhanced boobs. Christine's hair does change regularly as you can see from her photos - when I visited it was a blonde crop as per the first photos of her you see on the website. Must say her photos do not do her justice - she is far more attractive in the flesh!

The Story:

Was wary of visiting this parlour again as previous visits have been hit and miss, however Christine was most certainly a hit! Had the choice between Christine and Ami, who looked nice enough, but it was an easy choice!

She was happy to wear boots as I requested, and was very friendly throughout. After the massage, we began the usual groping and she paid attention to my hardening cock. She then licked my nipples and I was allowed to put 2 finger inside her, she also has a very interesting piercing! We kissed and cuddled, before she gave me some covered oral, both to my cock, then balls.

I was ready for sex at this time, and went for her on top. She crouched on top of me so I could feel her boots and licked my nipples as we had sex, and soon I found myself pumping away.

Overall a good punt, with a friendly and sexy maid too. Would certainly see Christine again
