The Premises:

Up to the normal high HoD standards. Lovely and warm from the cold rain outside.

The Lady:

Hubba, hubba! The pictures of Rebecca on the HoD website do not do her justice. Whilst she may only have smallish breasts (no problem for me there) she does have nice big suckable nipples that she certainly seemed to enjoyed being play with.

Also one thing you can never tell from any picture is the ladies personality and on this front Rebecca is great. Puts you at ease from the off and just keeps a smile of your face. She clearly enjoys what she does and says as much.

The Story:

Treat her right and you will will great fun with this lady no matter how long you have booked her for. Gives a great BJ and enjoys kissing - always a plus. She seemed to also thoroughly enjoy the use of my tongue and fingers on her judging my the noises she emitted and how wet she got.

I can see me booking an hour with this wonderful lady sometime in the future.
