The Premises:

Room 2. Small, but sufficient. Pleasant waiting area. Friendly male receptionist, called me a cab afterwards.

The Lady:

Definitely girl-next-door pretty and pert. I love the birthmark above her left breast. Also her left breast. Also her right breast. And she has a fantastic ass. And her legs are? am I objectifying this woman? Sorry, Emily. The rest of this report will be addressed to you, personally.

The Story:

I requested you wear ?normal clothes?. You did. Thank you! I enjoyed removing your grey sweater, your simple red dress, your polka-dot bra and panties. I enjoyed fondling your firm flesh beneath. I enjoyed your fierce French-kissing. I enjoyed my first orgasm, even if it wasn't inside you--did you move your leg like that on purpose just to get me to ?relax?? Anyway, I enjoyed the recovery conversation. I enjoyed you performing oral on me. I enjoyed performing oral on you. I enjoyed my second orgasm, me sitting against the wall, you sitting on me, simultaneously leaning backward and thrusting forward. I enjoyed you, very much. Again, thank you.
