The Premises:

Terraced house on a busy road (not far from town centre) in South Croydon. Clean & tidy. Felt safe.

The Lady:

Attractive, mature chinese lady. I would say she is in her late thirties. Petite, slim figure & nice boobs with responsive nipples. She has kept her figure well considering she has given birth.

The Story:

I used to punt with Sueli when she had a place in Waddon & was pleased when I recently found out she had a new place in South Croydon. I usually see Dee Dee (subject of another report) at this place but today I decided to see Sueli who was working instead of 'maiding'.

She was her usual smiling, friendly self & looked very sexy in a short skirt & black stockings & skimpy top. She ushered me up the staircase to the bedroom. We had a bit of a snog, she kisses beautifully with full use of the tongue. She was in no hurry to take the money but I thought it best to get it out of the way first.

I undressed & she gave me a lovely body to body massage with exciting touching in all the right places. I then turned over & lay on top of her & gave attention to her nipples which she loved. I then went down on her & she very obviously enjoyed it & I was able to bring her to a climax. She is very passionate & responsive.

She reciprocated & sucked me off beautifully taking my spunk in her mouth & then went to the bathroom to spit it out. It was lovely.

She told me she normally works Tuesdays & Wednesdays. I can warmly recommend her.
