The Premises:

Busy Xmas shoppers oblivious to my wicked intent. Yes I felt safe, yes it is was clean.

HoD always has a banquet of busty boards bursting with burlesque titillation.

The Lady:

Petite, pretty, firm buttocks, nice breasts toned, tanned and shaven below. Pics are a good match to the girl.

The Story:

So here it was, another Xmas eve and for reasons undefined I was not in particularly fine fettle but Mei was and I was looking for somewhere to bury my hatchet - one can see where this is leading? I plotted a course and set off to MK charged full of lust and corrupt thoughts.

The maid politely showed me in and I gave her a tip for her trouble. ??Only wear your shoes every other day and they'll last twice as long.?? I said. With that out of the way I was shown to a room and offered the obligatory drink of orange which I gratefully accepted.

I had not been in this room before, it's pretty lush, complete with a punishment cross, spanking horse and some very nice d?cor to boot. Mei soon joined me wearing a sexy black bra and g-string that had been consumed by her petite ass cheeks. She is a diminutive 5' 1?? tall with smooth tanned skin, pert breasts and a shaven pussy. Mei has an striking mane of black hair adorned with a few honey-blond streaks, very nice indeed. She has those kind of stare-up-at-me-while-giving-a-blow-job eyes that I like too. I've been with Mei many times before and every time seems to offer its own distinct fun and frolics, she makes for a very good regular ? consistent, obliging and down right sexy in every respect. Today was no exception.

I was soon out of my clothes and bent over the spanking horse where she gave my ass a good slap - several times. I returned the favour and ate her pussy from behind. OWO followed then on to the

sex, first, with her bent over the horse then in mish on the bed until I finally baptized her with a full thick milkshake. Perfect.

All in all this was yet another fun-packed half hour with an enthusiastic and gorgeous young sizzler and by no means the last as far as I'm concerned.
