The Story:

julie is a tall good looking 40ish blonde, she welcomed me to her home, made me a coffee and kissed me softly, and led me upstairs, she kissed me, on the bed we kissed and cuddled, then she gave me a long slow blow job, before riding me on top, when i was near cumming, she took me back in to her mouth and swallowed every last drop, we talked for a while then she sucked me off again, then ate her pussy till she came, there was no clock watching or rushing, well worth another visit.
