The Lady:

Dana is a Romanian girl in her 20s, small and blonde, firm body. Her friend and 'assistant' Della is dark-haired, a bit curvier.

The Story:

Dana began by running a bath for me and bathing and then drying me. We proceeded from the bathroom to the massage table where her assistant was waiting and the two of them massaged me, first facedown and then face up - by which time they had taken off their clothes (apart from their knickers which remained on throughout). The massage continued with special attention to my genitalia which responded accordingly. Both girls were very sweet and attentive and speak good English. I was barely able to stand when they had finished their ministrations, but in a nice way.
