The Premises:

Pretty safe but not very discreet as it is on a fairly busy road quite close to the Town Centre. Flat inside was clean, bedroom was nicely appointed and very good shower facilities.

The Lady:

WOW!, 5" 6' in heels, slim - size 8 - big firm breasts - she says F Cup and she maybe right (who am I to argue?). She's very good looking, dark blonde hair, tanned all over and just a lovely lady

The Story:

I definitely got lucky here. Saffron is very open minded and does all the things she mentions on her profile page. Nice bit of French kissing to start and I also sucked on her gorgeous breasts. She then sat on my face for a while then we moved into 69 - heavenly, as she gives a marvellous bbbj. Eventually she had me sitting up on the bed while she gave me bbbj stopping every now and then to spit/drool her saliva on my cock. We moved from that to protected sex in mish, and I finished between her breasts coming over her neck (this makes a change for me) - although she said I could come anywhere.

I will, without any shadow of doubt visit again.

Thanks Saffron.
