The Story:

Met Penny at her tastefully-furnished flat in Ladbroke Grove. Her photos on VV don't do her justice - for a woman in her mid-50s, she has flawless skin, and looks ten years younger. She also has beautiful eyes! She was wearing a casual white low-cut blouse, revealing a lovely cleavage, with tight dark denim jeans and black high heels.

Because I had travelled down from the Midlands, I wanted to spend two hours with her, but was told only one hour was possible on a first meeting. Fair enough, I thought. So I gave her the money, and we chatted awhile on the sofa. We have quite a few interests in common, and I began to wonder if we were ever going to get down to action.

I needn't have worried. Penny moved in and began kissing me while rubbing my crotch. After a few minutes of deep FK, she unzipped my flies and took my cock in her mouth, while giving me eye contact all the time. Over the next few minutes, we removed all my clothing and she stripped down to a set of silky purple bra and panties. Penny has a body fit for someone ten years younger - there are a few little stretch marks and wrinkles, and her tummy isn't as flat as an ironing board, but for a woman of her age, she is very fit and toned. She took my cock in her hand and led me into the bedroom. We stood by the bed, kissing, while I removed her bra and took her boobs in my hands and caressed her stiff nipples. For a woman in her fifties, her boobs are still very full and round, and she really appreciated the attention they were getting. I slid my hands down and pulled her lacy panties down to reveal a neatly trimmed pussy.

Penny lay on the bed, and I gave those wonderful boobs a bit more attention before parting her legs and giving her lovely sweet pussy the full tongue treatment. The moans I was hearing were very encouraging, so we assumed the 69 position. After a few minutes, Penny indicated she wanted some REAL action, so on with the rubber. Penny got onto her hands and knees and I took her from behind. The next twenty minutes were a blur of kissing, fondling, gasping and several positions

including cowgirl, missionary and more doggy. Either she is a very accomplished actress or I succeeded in making her come twice, and the session ended with me dumping my load on her lovely tits. All this time, she was smiling, laughing, and making all the appropriate moans and groans that tells you she is enjoying having you inside her.

As we relaxed on the bed, Penny asked me if I wanted to stay awhile longer. Did I need asking?! Luckily I had brought the amount I needed for two hours, so without further ado, we entered round two - more sucking, licking, fondling and fucking. I ended up cumming three times and Penny just kept coming back for more - I guess she likes her job! As she was sucking on my cock for what would be the fifth time, I realised that nearly three hours had elapsed! So I took her from behind one last time (over the back of the chair in the living room), had one last last lingering FK, and made my farewells.

Will I return? Of course!
