### The Premises:

My hotel.

### The Lady:

Absolutely stunning black lady with flawless soft skin, perfect figure including large breasts which despite some enhancement were soft and natural to touch. Best of all Chrissie is incredibly sexy with a great smile which is sadly not shown in her pictures.

### The Story:

Fantastic. Was a bit nervous about performing after a long flight and quite a lot to drink but as soon as I saw Chrissie I knew I would have no problems.

Chrissie was wearing a tight black body suit which was open at the back. She gave me a big kiss on entering, her soft full lips felt fantastic as did her cleavage pressing against me. After some "getting to know you" chat Chrissie stripped me off and I lay on the bed as she gave a fantastic BBJ. Plenty of eye contact, tongue spit and some rimming, truly a great experience to feel and watch. After a few minutes Chrissie mounted me and we had sex in a few positions.

Still had some time left so after a bit more chat Chrissie asked what would get me going again. A few minutes later I was sitting on the end of the bed as Chrissie started a lap dance. I asked to rub some baby oil on her tight body and Chrissie poured almost half a bottle onto her tits and arse and grabbed my hands to rub it in. A few minutes of this and I was more than ready to perform again, so Chrissie dropped to her knees and once again took me deep in her mouth. Fucked Chrissie over the bed so I could watch her fantastic ass. Finished myself off by hand lying on the bed as Chrissie whispered pure filth into my ear.

Despite being a touch over time Chrissie didn't bolt and we had a chat as we cleaned each other up and got dressed.

Overall a fantastic time, would definitely return. I think a longer appointment would be great with Chrissie as she really is great fun, so I'll be saving hard in 2010.
