The Lady:

Short slim Asian lady, with enhanced breasts, long dark hair and pretty smile.

The Story:

Briony (Olina) showed me into her place and ordered me to start stripping as soon as I entered the room, telling me she was hungry for my cock as she'd not had a good fucking all day. Having read some previous field reports this was somewhat expected as Briony has a reputation as a fiery and kinky customer! Doing as told Briony was on her knees within seconds burying my cock deep down her throat until she started to gag. After confirming my cock was up to standard I was then offered a drink and then taken to the bathroom for a cleaning.

The rest of the session followed Briony's structured process which feels anything but a well worn routine. Highlights included:

Deep rimming

Taking my cock until she gagged, then asking me to hold her head down until she gagged again.

Poppers

Blinfolds, handcuffs and light S&M

Briony sucking, licking and then actually fucking my toes

Vibrators

Smacking, strangulation and forced restraint

Me bringing Briony to a huge orgasm through oral before vigorous fucking of her pussy and ass.

Briony was enthusiastic, creative and combined sweetness with pure filth throughout.
