The Story:

I had time to kill before I went home and decided to give this place a try rather than a walk up. Lisa was wearing normal clothes with black tights which I particularly like. I initially paid for a 1/2 hour massage, ??25 and we went downstairs to a small room with a massage table. The massage was light, but very relaxing and there was a lot of attention to my balls and plenty of credit card swipes. After 20 minutes Lisa asked me if I wanted more time and I paid an additional ??65 for a further 1/2 hour with relief. I was really in need of relief by now and when I turned over I took the opportunity to put my hand up Lisa's skirt and fondle her bum. I also played with her breasts albeit that she was still clothed. The relief was incredibly slow and my orgasm was really intense.

This was an experimental punt and I probably will not return because I do prefer the masseuse to be topless or naked .Lisa is very sexy, however, and if nudity is not essential to you, I'm sure you will enjoy the service.
