The Premises:

Nice spacious apartment with en-suite near MK Central Station, plenty of parking spaces all around.

The Lady:

Voluptuous red headed vixen in her mid 30s, about 5'8" tall.

The Story:

Chloe strode into the room wearing high heels and a red corset, which showed off her alluring curves, and embraced me with lots of deep French kissing. She then undid her corset and proceeded to strip me naked before demonstrating her legendary OWO skills which culminated with CIF.

After she returned from the en-suite we had a chat and a good laugh for a few minutes whilst I recuperated before some more cuddling and DFK. I then attempted to preform some RO which I'm not sure if I did correctly as she kept giggling before clamping my head between her thighs!

She then put a condom on me and we did some mish and doggie before she said that I could try out her A-Level service (for an addition ?40) in doggie style which felt great as she has such a lovely round derriere. Chloe then finished me off a 2nd time with some more superb OWO.

A highly enjoyable GFE with a nice bit of PSE too.
