### The Premises:

Clean apartment near to MK shopping centre with plenty of parking spaces out front.

### The Lady:

Exotic and feisty French Lebanese lady, around 20 years of age with a beautifully toned and tanned body. About 5'6" tall with lovely large pert breasts and a delicious bubble butt.

### The Story:

I noticed Poppy was new to HoD and thought with that fantastic figure of hers she would be worth a punt even though there were no FRs on her at the time...

Poppy strode into the room wearing a skimpy outfit revealing her stunning figure and welcomed me with a hug and a kiss. She got undressed and lay on the bed waiting for me to join her and when I did she treated me to some very good OWO, making nice use of her ample cleavage. I then suggested we move into the 69 position so that I could get to play with her gorgeous body and she soon had me climaxing.

Poppy offered me a massage whilst I recuperated during which we discussed a few topics she felt strongly about. She then slipped a condom on me for some cowgirl, mish and spooning before she recommended we make use of the sofa for some standing doggie which was highly enjoyable.

We didn't quite click on this occasion but I would like to see Poppy again in the hope that I can make a better impression next time, as i think she could prove to be a very fine GFE.
