The Premises:

Her place was situated in a very nice apartment based in edgware road-central London, Her place was very clean and i felt safe in and outside her place.

The Lady:

Alexia was stunning and and she was better looking in the flesh then she was in her photos, which is rare i must say.

The Story:

I took a short trip to Edgware road which was only ten minutes from where i was staying yto meet the lovely Blonde escort.

Alexia was stunning and and she was better looking in the flesh then she was in her photos, which is rare i must say.

i really Fancied a petit blonde as most blonde escorts iv seen in the past have been tall , so i fancied a change !!!

We both showered straight away so we where both clean and ready for a steamy time ahead.

for the next 2 Hours we had some great OWO and full on sex that made me a very happy man indeed.

I knew maybe a hour would not be enough so booking 2 hours with Alexia was the right thing to do.

The next time i wana treat myself I may take a visit to see this stunning blonde for a second time as I would like this very much.
