The Story:

It's the 2nd time I saw Lucy. I was probably her 1st client since her 22nd birthday. I read up everything about her that I can find over the Internet before I 1st met her. Her feedbacks and field reports hosted on another website was great. In my view, she's one of the most well-established, if not the most well-established, early 20s WG in Sheffield. Having seen her twice, I thought I should do a field report for her here.

She's smart, intelligent, friendly, and not a clock watcher at all. Her services are great, which include FK and OWO. There are others on offer as well. As a somewhat simple guy, I never explored. DATY is also allowed -- which is one of a number of things I like about her. The experience is not quite the same as a typical WG. I felt the tender and innocent side of her when I did it, and the sensation was so great to her that she had to push me away when she climaxed.
