The Premises:

The block of flats right next to Metis Office. Above average, simple, and clean. Very safe, no one will know what you are up to.

The Lady:

Slim japanese girl. Size 6. A patch of tattoo at her lower tummy - to me I am OK with that. However, I must say that the photos on her website are definitely not hers, as reported by another punter! In fact, I had seen both her and the previous WG in the same flat. The photos are probably of the WG working there moon and moon ago. Having said that, don't let this put you off.

The Story:

Also, she will tell you that is her who's answering the phone. I knew she's not telling the truth because I had been a regular and her English is not as good as the one on the phone. So why keep going back to her? Well, the OWO! Is one of the best in Sheffield, besides Luna's at GFE. Ayako also gives a good massage.
