provided in therapeutical bed  
very safe

### The Lady:

scandineavan type with longblonde hair,  
curvy maybe 14 (not sure as im not expert, but she s not fat nor slim nice firm ass and tits) which  
was a turn on ,  
i would say late's but looks good  
amazing ass - as i am an ass man,  
i had a massage which was very soft and damme sexy with her finger long nails, followed by tit rub  
with her nipples on my cock - nie pair of 34d nice nipples  
i then asked her to put a rubber as all i wanted was to stick in ,  
although no owo, or rimming (she does not provide it) still worth the visit as i was gagging for it

### The Story:

very good for budget  
enjoyed it totally  
ashame no bed only massage couch
