The Story:

Have seen this girl a few times and she always performs well. I was offered a drink of wine and then straight into some kissing. Shower taken and then more kissing to warm me back up followed by OWO. Various positions, and all very enjoyable. No rushing, No fake moaning, she appeared to enjoy the whole session. After climax, some relaxation on the bed and a bit of chating about things in general. Good GFE.

A very attractive girl and a very nice person. Her English is good. No complaints and I will be back to see her soon.
