The Premises:

Spacious ground floor apartment, elegantly furnished and spotlessly clean as is usual at this establishment's various locations. The premises are in a street close to the Natural History Museum. There is meter parking in the street (?3 p.hr.) for those using a car. Safe and anonymous.

The Lady:

A slim brunette in her early 30's with considerable breasts and long, suckable nipples. The photographs on the HoD website are accurate but do not convey the warmth of her personality apparent when you meet.

The Story:

After a brief discussion of my desires for the meeting and disposal of the financial matters, we proceeded. OWO, RO and 69 more than met my wishes and provided a most satisfactory and enjoyable visit, punctuated by kisses, caresses and delightful giggle. She appears to enjoy what she does and what was done to her. I can ask no more.
