The Premises:

The place is easy to find with good parking although it was so snowy on this day i parked ay top of the road and walked down. Felt very safe.

The Lady:

Quite pretty but not at all stunning, petite with a very nice body. Says she is 21 although on the phone before hand i was told 19 but thats usual with these kind of places. Very negative personality and every other word is "ok love"

The Story:

Visited once before on a Tuesday and had an excellent time and paid ?60. This time i was told the lady was 19 and very pretty and covers all services so booked. When i turned up they have introduced a ?5 entrance charge. Taken to the room and told it was ?50 for massage and hand relief ?60 for VIP service massage hand relief and sex or ?80 for GFE lots of kissing, cuddling, OWO etc. What a lie and what a waste of money it was no different to the ?60 service i paid last time. She didnt kiss she didnt cuddle and does like fingers inside. Her mobile went off every few minutes so we had to stop as she told me she would turn it off(she didn't). I came away after wasting a hard earned ?85 (with entrace fee). Waste of money.
