Profile Name: Dollymopp...A Real Lover Experience

Website: <http://www.dollymoppsboudoir.com>

Phone: 07904172001

The Premises:

Amazing! Outwardly a fairly normal ground floor flat close to Underground Station in a safe area. Inside and Alladin's Cave of soft lighting, objets d'art, books, pictures, artefacts, cushions ... a boudoir with a magical atmosphere. Not like anywhere I have ever been in search of fun before.

The Lady:

Dolly is a most attractive lady with a pretty face, an enchanting smile and a curvy body (which she says needs to lose a few pounds but seemed fine to me).

The Story:

Having been attracted by her very original website, I have wanted to see Dolly for a long time. A lunch engagement nearby created the opportunity and I'm really glad it did. The Dollymopp experience is just that ... an experience. She really goes out of her way to make it that and succeeds wonderfully. After a warming cup of coffee we were soon reclining against a mountain of pillows and cushions on what felt like something out of "1000 and One Nights". With no time pressure we chatted for a while about the PNMB and the industry generally before moving gradually into mutual undressing and a quite outstanding sexual experience. I cannot recall any escort who so obviously loves her life and her job. She is amazingly sensuous and I greatly enjoyed providing the stimulus she clearly enjoyed which I found equally stimulating. Then it was my turn to be stroked, licked, kissed and f**ked. Suffice to say that her kissing would probably induce JRC to overcome his prejudices about women over 30. The whole experience was outstanding and ran well over time without any suggestion on her part that it was time for it to end and I eventually staggered out on jellied legs into the freezing evening. A memorable afternoon. Thank you, Ma'am.
