The Premises:

Well reported enough elsewhere - one of the better walkups IMHO - spacious with mirrors

The Lady:

I can see what all the fuss is about. Gorgeous, nice natural boobs. Chose her name well as she does look like Ms Hilton. Anyone wanting to see her can look on the Bunnie Lounge website where she works under the name of Bambi on Mondays.

The Story:

Had wandered down Berwick St and tried #70 but busy, so headed for Old Compton on the off chance of picking up Paris or Ritzy. Turns out I was in luck as she works there Tues, Weds and Fridays.

Service was great. Standard Soho fare of course. No surprises there but she's really into her work which helps so much. Being English and chatty means that the post-coital conversation was really enjoyable. Chatting about giving up smoking I was able to tip her off about the effectiveness, for some people, of hypnosis.

Left feeling really quite high, and can absolutely see why she is a Soho legend.
