The Premises:

Nice clean flat, quiet street off peter st, nobody around when i went

The Lady:

very nice looking Spanish girl with a beautiful smile and stunning body, i'd say mid 20's, nice sized handfulls of boob and long legs

The Story:

I lay down on her bed and she stroked my cock a couple of times before putting the condom on. She then proceeded to give me a nice bit of oral while handling my balls. She got on top for a couple of minutes which gave me a great view of her real sexy body and a squeeze of those tits. I finished in mish, she was holding onto me pretty tight and whispered sexy talk in my ear. She also fondled my balls a bit while in mish before i climaxed.
