Details of Service Provider:

The Premises:

One of the better Walk-ups in Soho. Upper flat at 70A Berwick Street.

The Lady:

Very slim fair haired woman, probably in her mid to late 30's. Pleasant and friendly nature.

The Story:

This was a substitute punt after my punt with Shanice had not materialised - see later FR. Lisa was friendly and accomodating, though she said she normally works on Sunday and was covering for the normal girl, so was she Lisa or the covering girl?

I paid the basic fee for "O" levels and sex plus the usual ?2 for the maid. She stripped off fully then started by gently running her nails down my pecker and balls in quite an erotic way. She then gave competent covered "O" followed by sex in the standard Soho budget position, lying on her back whilst I mounted her from on top. I pumped away to a reasonably satisfying climax

Not the most erotic punt I have ever had, but good VFM with a pleasant and obliging woman.
