The Premises:

Small but comfortable hotel room two minutes walk from London Euston station. You just walk straight in the front door and into the lifts to your left, riding up to the room number given to you by Shanice. The bed was stripped for action and there was a clean en-suite bathroom with shower. Shanice normally works in the Hagley Road area of Birmingham at weekends, one day in the week and outcalls in the Birmingham area. She also does monthly tours to London and Manchester.

The Lady:

Voluptuous mixed race girl in her early twenties. Huge breasts spilling out of her bra, lovely big booty and massive thighs, and best of all a totally uninhibited, bubbly and outgoing nature.

The Story:

I had tried to see Shanice the evening before but was unable to make contact with her until well after the arranged time, Shanice said that her phone had fallen in the shower and that she had only just got it going again. However due to the continued inclement weather I was able to bunk off work early again and was able to make a second appointment with her the next day.

Wow - was I glad I made the effort, this girl is incredible. I was able to take a shower first to freshen up and then once on the bed Shanice started off with the most incredible OWO, her only restriction was to let her know when I was coming as she did not want to take my cum in her mouth.

With great effort I resisted cumming and we then partook in various other foreplay, mainly involving my worship and fondling of all her amazing curves.

Eventually we got round to the main course starting off with Shanice on her back, bum on the edge of the bed and her feet back near her head, what an unbelievable sight such an expanse of pussy, booty and thighs!

We then reversed the position for me to take Shanice in doggy, and again one of the most awesome views of a woman's derriere I have ever experienced as I pumped away to a happy ending.

I concluded the encounter with another shower, the time taken for this and the shower at the beginning, did not come out of the generous 30 minutes spent on the bed!

In summary, one of the best experiences of my punting career, and by far the best value. Highly recommended.
