Outcall to busy Airport Hotel. No problems at all

### The Lady:

Accurately described on Agency website, though no face pictures shown. Late thirties attractive Lady with long light hair, slim build, 34 c bust (natural).

### The Story:

A late business trip found me stuck in a Manchester Airport Hotel for a night and bored. So a spur of the moment decision.

Having not Punted for a few years and with the only Independant Escort I knew from that time in the area being long since retired I decided to call the Agency. After giving a brief outline of a general age range that was my preference the lady at the Agency recommended Gerri, who within half an hour called me to confirm the appointment time and room details.

Subsequently Gerri phoned from the Car Park to announce her arrival exactly on time.

There then passed an easy hour of GFE, glass of wine, relaxed conversation, mutual oral (owo on me) and protected penetration. All accompanied by plenty of kissing and touching.

Gerri was generous with her time and there was no rush whatsoever

An enjoyable visit that made my enforced Friday night at an Airport hotel pass pleasurably.
