The Lady:

Prettier than I had expected. In her 30's, about 5'4" tall with a curvy 12-14 figure, shoulder length dark hair.

The Story:

Claire had been on my list for a while due to some the reports she had been getting on Pboro Plus. For a while it looked as if the bad weather was going to interfere with our arrangements, but Claire was flexible and we managed to meet up first thing the morning.

I had exchanged several text messages with Claire talking about her services and what was on offer. Claire is a mild sub, and I was interested in trying that out as I have never been particularly dominant with ladies previously.

Claire opened the door dressed in a short silk wrap with gorgeous underwear as we had discussed in the texts. Following her up the stairs I got a full view of her lovely arse. Once in the bedroom we started kissing and Claire is a great kisser. Deciding to take the lead role I gently pulled Claires hair and pulled her down to my crotch. She quickly undid my trousers and proceeded to give me a great blow job. After a few minutes of oral heaven I made her stnd up and we both undressed. What followed was an hour of great sex from start to finish. Claire loves giving oral and is very good at it. I even found time to bend her over the bed and shag her from behind whilst pulling her hair.

I thoroughly enjoyed the mild dom/sub side of the meeting and the time flew by all too quickly.

A top lady and I look forward to returning soon.
