The Lady:

Lucy, as previously reported, a sex bombshell, gorgeous body and very easy to get on with.
Kate, slightly taller with 32b bust and another sex bombshell, very pleasant personality.

The Story:

Wow!! These two are great together, started off with back massage which soon turned into front then OWO from both girls with Kate being the licky one!

Then lots more RO etc before sex in various positions , interspersed with OWO and RO. Various comments stick in my mind, such as , from Lucy, "Bring your cock here and let me suck it" whilst I was playing with both pussies. Nothing was too much trouble and had lots of encouragement from them to succeed in my second cum of the visit.

Finally, thank you girls, you were wonderful.
