The Premises:

Well known walk up. This was the first floor flat. Haven't been there for years but glad I checked it out as it was Candy's first day.

The Lady:

Tall, beautiful Czech Republic girl. Probably a size 10 and five foot 8/9. With heels she got near six foot. Great legs and bum. And then I looked up and saw the most magnificent pair of natural boobs. Wow. She has a lovely smile and is a brunette. Been in the country 2+ years so English is great.

She actually reminded my (physically) of Claudia but maybe thats too big a label to carry on your first day.

The Story:

As I said earlier it was her first day and I was number 2. Well lets just say it was a great punt. She has worked before elsewhere so she knew how to press the buttons. Went for the dreamtime which is covered O and the sex in as many positions as you want. After the enthusiastic O she climbed on top, followed by mish & doggy.

All in all a great start to 2010. Don't usually take this long to get going in a New Year but the wait was worth it.
