The Lady:

The pictures are representative. She is Brazilian, blonde, cute face, great lips. She has a nice body, cute little butt and huge boobs (must be enhanced but well done, can't really tell).

The Story:

She is a sweet girl, with very little English. So, don't expect a conversation. But, she has some limitations, but didn't bother me and what she does well made up for it.

She enjoyed reverse oral (no digits allowed), good bbbj and multiple positions. She really likes to play with herself, which I like and it seemed very genuine, so that was a plus. She BBJTC, but moved quickly to her breasts instead of CIM which was fine. So, I really enjoyed myself and would recommend.
