The Lady:

Very Cute Lithuanian girl. She looks better than her pictures on the web site which is accurate otherwise. A very nice little package very slim and nice pert breasts. She is very endearing and has a cute smile.

The Story:

Haveing recovered from Flu the previous week and While I was in London on Business, I thought that I would see what the London branch of HoD was like. So I broke the business off early to get a session in with Rihanna. She would not have been my first choice in MK but I am glad I chose her for this encoounter which was first class.

On arrival quickly shown to room and met Rihanna soon after. Clothes dissappered and we got to get Skin to skin almost immediately. After a qick kiss, I sampled her tits in hand and with tounge. to get those nips firm. I went for the massage and after a while turned over to chat and her hands went to warm up the old man.

OWO was great she has a lovely tender touch which I found very sensual and got me going into etsyacy. This had to stop before I fu*ked her. RO before I started cowgirl then mish. Moved to the edge of the bed and fu*ked her with her legs in the air. Had intended to finish in Doggy but once I got going I just went for it.

Had time left but decided to tatke a shower and get on the road.

A fantastic Christmas present to myself. I thorouhly recommend her to you all if you like young slim and hot girls. The important thing for me is that despite the age gap, she made me feel special and had a warmth that seemed genuine. A great experience and I expect to see alot more FRs on her soon.
