More mature lady probably size 12 to 14 fabulous tits

The Story:

She used her tits to start the proceedings to great effect h she offered them for sucking and usedher tits on my body to excellent results,gave covered oral which was gentle but extremely effective, enjoyed RO and is very vocal and ended up very wet so no faking sex in any position was offered but more covered oral proved very satisfying a fabulous lady who is prepared to satisfy, kiss , cuddle and chat and a great way to spend 30mins away from a snowy ,cold York.I would recommend this lady for an extremely great time
