The Story:

I've seen Layla (Ivy/Elly) and probably other names on other web sites, several times now, so this is a composite report rather than a one-off.

Look at the pictures. They're accurate; she really does look that good.

She doesn't do the more extreme services, which is one of the reasons I like her, so if that's your thing she may not be for you.

But, if you want a GFE with a very beautiful woman, Layla is in my opinion as good as you can get, and a lovely person too.
