Service Provider's Rebuttal

The establishment writes:

Hi Toyboyxx, if you have the time and you don't mind, could you please let us know what you mean by 'this didnt go quite the way I had hoped for. One of us not on the same wave length as the other'. it would really hep Ria to know for future reference as she does try her very best and would like to know how she can improve on anything she might have done wrong unintentionally.
