The Premises:

Sally's house is off the main road running through Dudley. It is nestled in a cul-de-sac which can be a bit unsettling when walking up to the door. House is clean and her bedroom is a converted garage - only problem no real shower/toilet facilities available.

The Lady:

Late 30's early forties, plump but not fat with a superb set of natural tits! Sally met me in a baby-doll outfit and as I've been before she greeted me with a smile & the comments 'come on, clothes off and cock in my mouth please' no mention of cash possibly because I am a regular and she knows I'm good for it!

The Story:

I see Sally for her oral skills - she is a fantastic cock sucker, simply unbeatable, great eye contact, lots of the following: dirty talk, wanking, sucking of balls, change of speed & strength of 'sucking' tit-fucking. Sally does it all and does it very very well!

For ?30 great value, great service and when I blew my load into her mouth & over her face great relief - you can take only so much before you 'finishes you off'

Will I be back - ohh yes.....what a woman!
