The Lady:

Exactly as described on website, except Debbie doesn't mention her peachy bum (actually very peachy), cheeky face (apparently some have called it "Angelic" and I wouldn't argue) cute shapely little ears (no-one has mentioned that before, but I found them irresistible and ears are not one of my fetishes), rather sexy thighs (I didn't mention this at the time since I felt I had complemented her quite enough for one day - but standing having a post seeing-to chat I thought to myself (hmm what sexy thighs you have Vicky - I have total recall about this), tits which I am sure look very alluring in a push-up bra below a tight T-shirt (that IS one of my fetishes) and are very pleasant to behold without the bra. Slim. Tall enough at five seven. Possibly slightly more mature than Debbie would have us believe, but very attractive - I fancied her straight away, and I am getting much more picky in my old age.

The Story:

Very Very pleasant. One of the nicest shags I've had for some time. I could spend some real time with this woman having a chat and then shagging her peachy arse off (in the nicest possible way of course) and then having another chat, and then another shag (I wish).
