The Premises:

Well known venue on Union Street. The reception area has been given a much needed face lift. A big improvement.

The Lady:

A typical Thai lady. About 5ft, long black hair, slim with great tits and shaven down below. A lovely smile and infectious laugh.

The Story:

Had a shower and then she gave me a nice enough massage with a bit of ball tickling. Turned over and gave her very prominent nipples some attention. Covered oral followed by 69 was excellent. I was just thinking it was time for sex when I blew the lot, but no complaints. All in all a good punt, with an attractive lady at a good price. Other recent reviews of this place suggest a real improvement. I'll be back.
