The Premises:

Nice flat , easy to find , loads of metered parking nearby.

Shower available , large double bed.

Felt safe at all times. Buzzer entry. Flat rented for purpose, laura was running late , so was let in by 2nd girl , had a chat & soft drink for 5/10 mins awaiting laura's arrival.

The Lady:

Tall blond lady , beautiful legs & bum , slim & sexy.

Lovely lingerie & high heels. Perfect !!

Not a daft young lassie , poss. around the 40 mark.

Personally I prefer ladies of this age (being the wrong side of 35 myself !), they tend to be more "confident" & personable , etc.

The Story:

No massage , straight into smooching & fondling , laura informed me she was feeling quite "horny" that day. Not long before she asked to give me oral , what could I say ?

Fabulous technique , slow & deep , again telling me how much she "needed to feel a hard cock".

Confidence - see. Nothing sexier !!

A few other little tricks that I'll leave for you to find out for yourself.

Onto sex in a couple of positions , to a very satisfying climax.

Never felt rushed & a little kiss n cuddle after always a nice touch.

Need to source a couple of blue pills for my return visit which will be soon & for a longer visit.

Without doubt THE sexiest lady I have met. Thoroughly recommended.
