The Premises:

Place was clean and tidy. Very discreet. A bit cold though.

The Lady:

Jools is good looking. As per the pictures on the website. Quite petite 5ft 2ins.

The Story:

It was a bit cold in the flat (very cold according to Jools) because the heating system in the house didn't seem to work properly, something she was going on about during my entire stay. Jools was pleasant to talk with and we got off to a good start (especially nice OWO). No complaints for the first 20 mins, although I wouldn't call it full-on PSE (and I'm not sure she's willing to deliver that). We talked in the break and 30 mins into the hour she mentioned that it was too cold to continue and that she would quit for the day. I was offered to take a shower or to stay and continue talking to her (presumably while she did her own business). When I mentioned that I was supposed to stay for an hour she acknowledged that, but mentioned it was just too cold. What was especially frustrating was that there was no apology, no partial refund, no nothing. She was very casual about terminating the meeting. We said our goodbyes with a kiss on the cheek on the doorstep (she had to go out to her car) and we both went different ways.

Will I go back? No. Do I recommend her? Despite the good start, I will not. If I ask myself the question whether I would recommend her to a friend, I would have to be honest and say "no". Ultimately her attitude was crap. There are more enjoyable ladies around.
