### The Premises:

Her flat is in quiet block conveniently located for the Underground. Inside the flat is artfully decorated in a very theatrical style and illuminated by strings of tiny lights.

### The Lady:

Dollymopp is a delightful petite, dark haired lady, whose age is difficult to estimate. She is wonderfully curvy, and speaks with a Scottish accent. The day that I met her she was dressed in a clinging dress that showed her curves to perfection.

### The Story:

On arrival, I was made welcome and offered a glass of wine. We chatted for a while, and then she removed her dress, inviting me to join her on the bed. We embraced and kissed, and soon neither of us had any clothes on. The remainder of the afternoon passed in a blur of erotic delights that can not easily be summarised in a few words.

She is a person that I would certainly wish to visit again.
