The Lady:

Slim 31 year old blonde babe with two tattoos, 34C Breasts, green eyes and nice and beautiful personality. She looks lovely compared to the pictures on the website.

The Story:

Keri and I had a great two-hour session together, we got undressed, explored each other's bodies, Keri suck my erect cock then I did reverse oral on Keri then had sex in different positions and finally Keri and I had an explosive climax together!

Round two came when Keri gave me a handjob which I had another explosive orgasm and I shoot my white stuff in her body and the final round came when Keri and I had another sex which led me to a big orgasm.

Afterwards, Keri and I had a bath, got dressed and we bid each other's farewells after a two-hour session with the gorgeous blonde Keri!

A great punt to start off the New Year and I will book you again in the near future.
