### The Story:

As another report has said, I was a little unsure about Natasha when she first came in the room - not her looks, she is gorgeous and very sexy - but she seemed a little reserved. However, it rapidly became obvious that she is just a little shy until she gets to know you, a really charming aspect to such an attractive lady with a few years experience in this line of work. She pulled her clingy little dress over her head, revealing her sumptuous body naked but for her heels, boobs bouncing slightly as they were freed. I reached for the bedpost as my legs weakened. "So, what would you like to do?" she smiled. If I had taken the time to tell her everything I considered as she stripped I would still have been talking as I walked back to the tube. We settled for a bit of tie and tease, which had us both laughing - Natasha has a delightful giggle - and that was followed by some absolutely delicious reverse O and rimming by me. She responded very enthusiastically and, judging by the dampness, with genuine enjoyment. After some time Natasha leapt off my face, turned round and delivered some fantastic OWO, culminating in me coming over those magnificent tits, accompanied by a delightfully encouraging smile and then a giggle of disbelief at the quantity - I had been saving it up!

As I lay panting on the bed she started to give me a massage. Natasha chattered away while I was massaged back to life and I eventually enquired whether time was up. "You were up some time ago" she chortled. We had also gone over time but it seemed that was no problem at all for this delightful young lady, with whom I could enjoy dinner, a chat over a coffee or outrageously erotic sex.

Looking forward to booking Natasha for longer next time. Thanks Natasha, from the Cancerian.
