The Lady:

Cute Czech girl in her early twenties. Was smartly dressed and prettier than her pics which show her with too much make up. Nice slim figure with curves where they should be. Beautiful green eyes and smile.

The Story:

Jessika arrived 10 minutes early and I was still in the shower. Had a quick towel and met her in the living room. Was very chatty and curious about my background, profession etc.

After 10 mins of getting to know each other I cut to the chase and dropped my towel and also a big hint as to where I wanted the focus to move to. Proceeded with some LFK followed by excellent OWO with partial deep throat. Tried various positions and finally finished in doggy. Was tired so did not repeat but she gave me a decent massage.

Cute girl with a good attitude. Would definitely recommend.
