### The Lady:

As mentioned in my previous report. Beautiful girl well presented and very much like her pictures if not better.

### The Story:

Have been meaning to submit another report for Bianca as I did see her two times subsequent to my initial encounter in June. I am happy to report she always matched my high expectations. After a quick catch up and some DFK proceeded with decent OWO. Then multiple positions including her riding me on a chair which was different and fun. Finished on her breasts. Was quite turned on and as a second round was on offer proceeded to ask her for some more owo followed by sex in various positions until I was done.

I have generally not had good experiences with Romanian girls but Bianca has been one of the expectations. Been trying to get a hold of her friend Patricia but she seems very popular. Have to try a threesome with the two lovely friends soon.

Continues to be an excellent escort and I look forward to revisiting in the future.
