### The Story:

paid 60 pound, then asked what extras i would like, went for oral wo to completion, extra 20pounds. light massage on back, turned over covered oral while i played with those lovely tits, then she got on top and started riding me, had enough, on her back started to fuck her really hard, pulled out off with the rubber, then she started to suck me until i could hold on no more and came in her mouth, but she didnt swallow, overall good but to many extras on offer,
