The Premises:

As per other reports - very clean, shower facilities etc.

The Lady:

Website says 23yr old, size 8 and 34d bust. Looks very toned and slim in her pictures. However reality I am sorry but she is not 23 and more like mid 30's, she does have a belly although is slimish.

The Story:

Havent visited IP for over a year and was really gutted seeing Sunita. Seems IP's standards have dropped considerably.

Opted for the 20 min sex only as didnt want to waste anymore time/money as really wanted to just walk out when first saw her.

Massage was half hearted, pleasant to talk to but felt she kept the talking going to leave little time for sex.

Eventually managed to get hard and got on with business and left.

Service Provider's Rebuttal

The establishment writes:

Hi KamX,

we are quite surprised by your comments. Firstly Sunita is not in her mid 30's. She does not look like a teenager, but neither does she look mid 30's! She found the comments about her so called 'belly' confusing. Although her stomach is not washboard flat, it's not fair to say she has 'a belly' as it does not protrude out. Maybe she had just eaten before you came to see her? We don't know, but her 'belly' is quite normal to look at!

You comment about her 'half hearted massage' is not a comment that people say about Sunita's massage. Quite the opposite. All the ladies at Indian Palace give relaxing massages. If you would like a firm massage, we do have a few ladies who are good at firm massages. Please send us an

email to find out exactly which lady provides which service.

If Sunita was not to your liking, you could have walked out. Or you could have seen another lady. Sunita herself said about this report 'if I was that bad, he would not have stayed with me and would not have been able to come'.

One other thing about Sunita is that she is very very friendly and tries really hard to make sure you are comfortable and relaxed. She does talk a lot and has an entertaining personality. She does not talk in order to leave little time for the service. She talks as she does as that is just the kind of person she is. We all know Sunita to be a naturally happy, bubbly and very friendly person even when she is not giving a service.

We know beauty is in the eye of the beholder and everyone is entitled to their own opinion, but we do feel you have been a bit unnecessarily harsh on Sunita and not said any of her good points as well as what you have written about her in this report. For example: she is a very attractive, slim, busty & genuine British born Indian lady who can also speak Gujarati fluently. From the comments we get about Sunita we know she gives a really good service and makes a person feel really comfortable and relaxed when they are with her.
