The Story:

Was really looking forward to this as the receptionist did a great selling job, saying offers GF experience, kisses cuddles etc and sounded sexy as hell. It was to turn out as one of the worst punts Ive ever had unfortunatley. Rushed would be an understatement and despite my polite protests she really didnt care. Kept her clothes on during oral (she was wearing a summer dress) and within 2 minutes of her coming into the room gave me a choice of 2 position for sex (she doesnt do cowgirl). I was almost walking out it was that bad and left feeling completely ripped off. Montys is usually pretty good to be fair but after this I wont be returning.
